

Test Physical connection skylark[◇]

1. TYPES of medium

There are three types of medium

- * Radio frequency signal
- * Electric signal
- * light signal

2. write down switch & pins?

1 + R

2 - R

3 + T

4 + V

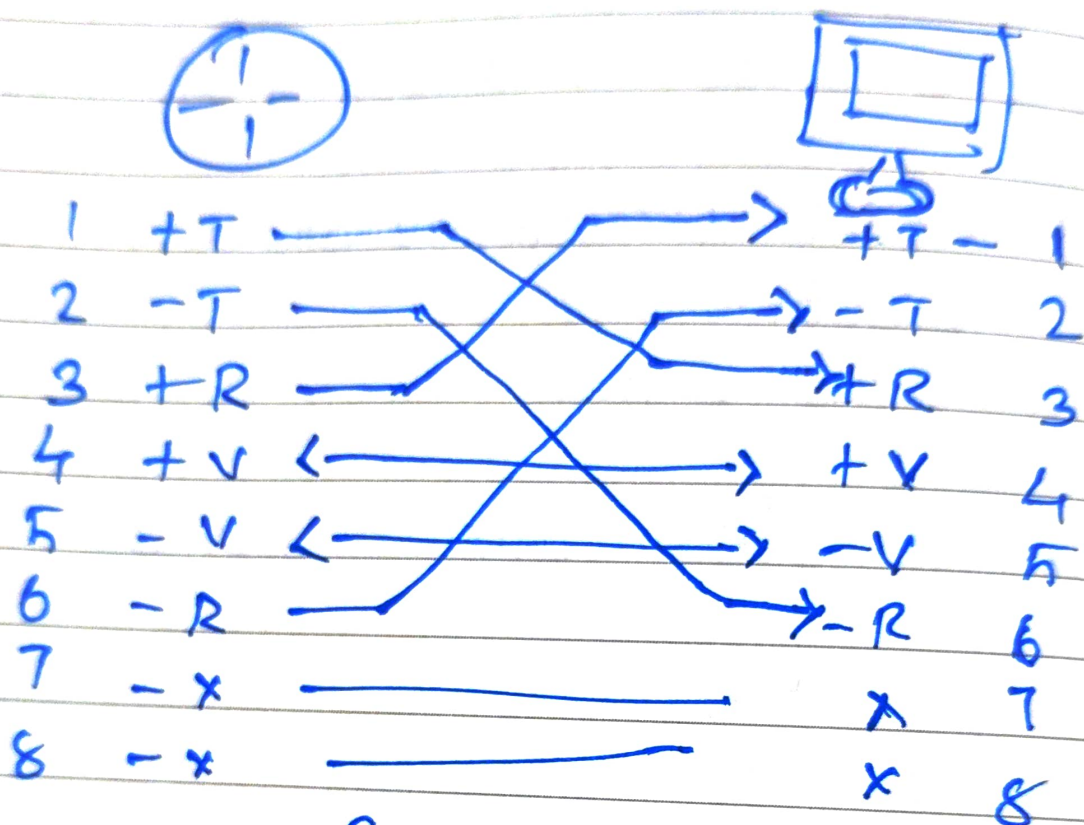

5 - V

6 - T

7 - X

8 - X

3, connect utp cable between two devices

Same function device

4, Explain Auto MDIX?

Auto MDIX is a cEthernet feature by 55. Com that automatically senses the cable type adjusts the internal pin configuration

5. Explain PoE injector?

PoE injector is the power over Ethernet adds electrical power to an Ethernet data stream so we can access IP cameras, AP, VoIP like devices

6. PoE Switch

Poe switch the same like Poe injector sends electrical power to an Ethernet data stream

7. Explain types of nic & function?

Nic - network interface card

that card converts binary signals into electric signal, electric into binary signal

Wired nic  copper
fiber

wireless nic
